Are you aged between 12 and 18? Mad about motorsports? Want a first-hand insight into the racing world? Then FIA Girls on Track is looking for you!

Find out at our FIA Girls on Track at the 2025 Miami E-Prix.

We are looking for girls aged 12-18 to join us for a day full of exciting activities, discovering what happens behind-the-scenes in the most electrifying racing series- the ABB FIA Formula E World Championship.

### What to expect:

Experience first-hand what it's like to be a woman in Motorsport. See behind the scenes, listen to a careers talk and live life in the fast lane in our Gaming Arena!

Participants will be able to see behind the scenes of the Formula E paddock, meet women in the industry and have the opportunity to speak to Formula E drivers for all their best tips to win on track!

### Want to be a part of the fun?

Register your interest via our sign-up form below and visit Formula E's FIA Girls on Track hub [here](#) for more information about the programme.
